Mrs. Ernest B. Dane,
Chestnut Hill, Mass.

Dear Madam:

One of the efforts of our Society is to secure a complete or as nearly complete as possible representation of medals struck in this country. For that reason, we should be particularly glad to have a copy of the Chestnut Hill Garden Club Medal, which was designed by C. F. Hamann. The Medallic Art Company have offered to bear the cost of striking this, if you will grant your permission. I hope you will feel that you can grant this request.

Very truly yours,

Secretary

Dear Sir:

Your letter of March 3d addressed to Mrs. Ernest B. Dane has been referred to me.

The Chestnut Hill Garden Club is willing that you should have a copy of this medal which is an unusually beautiful one, provided it becomes a part of your collection.

When you communicate with the Medallic Art Company will you be good enough to ask them to send to me a price list of gold, silver and bronze medals struck from our die. I have it somewhere but I cannot lay my hands on it. I should probably wish to order some additional medals in the future.

Very truly yours,

JDC I
